## **NOVEMBER ELEGANT SILENT AUCTION**

The Elegant Item Auction is a major chapter fundraiser taking place during our November meeting. Do you have treasures that someone else might like or which you have never used? Bring them as an auction item. Elegant items are not yard sale goods but are in excellent used condition or new. The value of the item should be worth at least \$5. Members can bid on the items using bid sheets furnished at the meeting and we will use Square to take credit card payments. Examples of past auction items include: nice purses, serving dishes, holiday jewelry, quilts, table linens, figurines, glassware, small furniture pieces, art, and DAR memorabilia. If you have any questions about an item to donate for the good of the chapter, please contact Regent Maureen Vanek at [vanekdar@gmail.com](mailto:vanekdar@gmail.com).

Included in the basket: teapot, two cups & saucers, assortment of teas, two custom-embroidered napkins, decadent chocolates, honey straws, four cupcake stands, a 3-tiered dessert dish perfect for tea cakes and scones, and an altered alarm clock all on a beautiful wood tray.
