The Pledge of Allegiance to the Flag of the United States of America

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

The American's Creed

I believe in the United States of America, as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it, to support its Constitution, to obey its laws, to respect its flag, and to defend it against all enemies.

William Tyler Page, 1917

The Preamble to the Constitution of the United States of America

We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

121st WSSDAR Conference
Chairman Report

The theme was "Service to Others is Transformative," with the sub theme of "NSDAR—Serving Others Since 1890." This was our first in-person conference since 2019. There were 225 registered members with 66 of them first timers. The business of the State was accomplished throughout the conference.

Thursday evening the Washington Regent's Club held their annual dinner which Mrs. VanBuren also attended. This was followed by the State Officer's Club meeting.

At the Friday Education Luncheon several school awards were given to the American History Contests and Good Citizen's winners, and we heard their outstanding essays read.

President General Denise Doring VanBuren was the Keynote speaker on Friday evening. We also welcomed one Debutante. The Memorial Service was held on Friday afternoon and was well attended.

Saturday morning the Cameo Club held their annual breakfast. Regents' reports were heard during the Saturday Luncheon. Saturday afternoon we voted in the new slate of state officers.

That evening we welcomed Mr. Derek Abbey of Project Recover as our speaker for the National Defense Dinner. Darlene Carlson of the Chief Whatcom Chapter also spoke on the Gold Star Garden in Bellingham. We were entertained by the ICorps musicians from JBLM.

Sunday breakfast was held to present awards and to honor our volunteers. It was well attended and great fun. Thank you to the State Meetings Committee and to all the Sacajawea, Robert Gray, and Tillicum chapter members who made this an exceptional conference.

State Officers Reports

131st Continental Congress Report
Washington State Regent Lauri Langton

Madam President General,

Washington Daughters were your Sunshine Ambassadors as they strove to put service before self. Our 34 Chapters awoke from the national pandemic stupor with vigor, and I am very proud to report on their accomplishments.

Over $350,000 was awarded in State Society scholarships, Chapter scholarships and DAR Schools support. These donations ranged from paying for GEP classes and classroom supplies to providing for higher education and medical school tuition awards. That figure is remarkable and speaks to the continued generosity of the 2,400+ Washington Daughters.

The question before us during 2021 was how were we to grow and stay viable when our local mandates precluded meeting in person? We heightened our technology skills, we focused on membership growth through one-on-one contact; and, the award winning project of moving Revolutionary War Soldier Isaac Palmer's remains from a farm field to a Veterans' cemetery was done by volunteers, of course, outdoors. Our State Applications Team, comprised of members working at home, assisted Chapters and overall, we gained 242 new members. The continuing support of Northwest Harvest, our state's largest hunger relief agency, was promoted online with contributions exceeding expectations.

When television legend Mister Rogers died a worn note was found in his wallet. It read "Life is for service". A thought so simple, yet so profound. That sentiment sums up the Washington State Daughters commitment to this Society. Madam President General, it has been my great honor to have served in your administration.

Lauri Langton, State Regent
Washington State Society NSDAR

State Regent

Washington Daughters,

For the last reporting period of my administration, I reflect on how grateful I am for all the help and guidance I have received over the past two years from my Executive Board, Committee Chairmen, Chapter Regents and members. We have weathered difficulties, we have adapted, and we have emerged, I believe, better for it. You can never assess your strengths without challenges and challenges are what make up our ever-changing world. Thank you Daughters for taking this journey with me and for sharing your strength in service to others.

Our State Society is financially sound and we have held our own in membership growth. Now that the pandemic restrictions have been lifted our Chapters are meeting in person again with renewed enthusiasm. This State Conference is a testament to that fact, as the attendance is equal to pre-pandemic levels.

Since my last report I have represented our State Society at both local and National events. During the second week of February, I attended the National Board of Management meeting held at our National Headquarters. The highlights of the business at hand were as follows:

1. The National Executive Board approved these major donations: $10,000 to the Society of the Honor Guard, Tomb of the Unknown Soldier's Tomb Guard Assistance Fund (TGAF), a one-time donation of $38,000 to help fund the next phase of The Fort Ticonderoga Soldiers Project, and the donation of $11,500 to the John Adams Institute. $365,450.00 in combined funding for the Kate Duncan Smith DAR School, Crossnore School, Bacone College and Chemawa school also was approved.

2. The National Board of Management approved these motions to be recommended at the 131st Continental Congress: a) a National Society dues increase of $3.00; b) an increase to $62 for member-at-large yearly dues; c) a $100 increase in the lifetime membership fee, raising it to $1,300.

Since January, I have traveled and represented the State Society at several events. I want to thank the four Spokane Chapters for their hospitality and generosity when I visited in February. In April I represented the State Society at the SAR Convention in Vancouver, Washington and visited the Fort Vancouver Chapter and the Kennewick Chapter. After the conclusion of this conference, I will be visiting the Chief Whatcom Chapter and finally attending a meeting at my own Chapter. It is exciting and rewarding to be able to attend in person events after two years of limited travel.

And lastly an update on my State Regent's Project, the support of NW Harvest. As of the first of March, almost $9,000 has been donated by the State Regent's Project to purchase food for NW Harvest. During the height of the pandemic when school closures disrupted food distribution to children, NW Harvest worked to establish new food distribution sites to meet schoolchildren's needs. It has been my great joy for our State Society to be part of the support of NW Harvest's programs to ease food insecurity in Washington State.

I will be forever grateful for the opportunity you gave me to serve as your State Regent. Service to others truly is transformative for the best way to find yourself is to devote yourself in the service of others.

Lauri Langton, State Regent

State First Vice Regent

Madam State Regent,

Serving as our State 1st Vice Regent has been one of the most rewarding times in my DAR life. Indeed, these past two years have been an extraordinary time with many transformative opportunities to serve DAR.

According to my battered, ancient dictionary, the definition of extraordinary is going beyond what is usual, regular, or customary. This definition more than defines the work of the State Meetings Committee. It has been an honor and a pleasure to chair this hard-working committee. Our upcoming state meetings calendar is overflowing because of this committee's dedication to our State Society. In fact, the State Meetings Committee is coordinating the Fall 2022 BOM Meeting on September 16 and 17 in the Tri-Cities.

The 1st Vice Regent is responsible for publishing the WSSDAR State Directory and Yearbook. Thank you, Washington Daughters, for submitting your reports in a timely fashion.

You helped make our yearbook not only informative but interesting to read.

I want to end my report with a favorite Brené Brown quote:

There can be no joy without gratitude.

With sincere gratitude to you, Madam State Regent, it has been a joy to serve during your administration.

Christine Crowder, State 1st Vice Regent

State Second Vice Regent

Madam State Regent,

I am honored to serve as Second State Vice Regent in your administration, as service to others is truly transformative, rising and shining for America. It is a pleasure to work on the State Meetings Committee and as chair of the Debutante Program. Thank you to the many chapters who sent nominations for the Vivien Bower Outstanding Chapter Regent Award.

My chapter work includes heading our Good Citizens Program, Project Patriot, volunteering with Find a Grave, Supplementals, and the America 250! Task force. I recently returned from a research trip to upstate New York, including National Parks such as the Battle of Saratoga, Washington's Headquarters at Newburgh, NY, and the New Windsor Cantonment, the final military encampment of the Revolutionary War in 1783.

As a Daughter of our glorious DAR, I can tell you it is thrilling to know that we prove a little segment of my DNA was at these sites some 245 years ago.

Thank you, Madam State Regent, for the opportunity to serve.

State Chaplain

It has been an honor to serve this year.

Service as a chaplain is both sacred and fulfilling. Many times, I have been called on just to "listen or counsel." This is a privilege I have honored.

I have also sent out greeting to our more wizened members or cards of sympathy when members pass on. I have sent out 5 more chapter USB drives with chaplain materials, prayers and missals on them to assist their officers.

It was my privilege to visit 5 chapters this year.

I have offered prayers of invocation, blessing or benedictions at State BOM, Conference, Memorials and Dedications.

The State Memorial service is being worked on. Gathering information and preparing a service that will be meaningful and worthwhile to Washington State Daughters is always a privilege.

It has truly been an honor to serve on the Langton administration in this capacity.

Respectfully submitted by

Pam Gassman, State Chaplain

State Recording Secretary

My most important job as WSSDAR Recording Secretary is keeping the legal, official minutes of our various organizational meetings. I am also responsible for maintaining the WSSDAR's records, including past minutes and votes, and of presenting recommendations from the Executive Board and the Restricted Funds and State Meetings Committee when required. One of my less-heralded, but vital, duties is knowing exactly what I am responsible for recording. Because minutes are official documents that may be given to both internal and external audiences, I must know what to track and what to omit. That might include recording that a proposal was discussed, but not directly quoting from the discussion -- and how to format it for those who were not present. Given these responsibilities, I often act as an information and reference point for the Regent and other committee members: clarifying past practice and decisions; confirming legal requirements; and retrieving relevant documentation.

While the role is time-consuming, there is always room for fun and opportunities to serve others abound! What a joy it was to serve in the Langton Administration.

Respectfully submitted,

Emmelyn Hart, State Recording Secretary

State Corresponding Secretary

The past 2 years have been filled with challenges and opportunities. The lack of in-person meetings and functions meant fewer letters and thank you notes being sent and received—both at the state and chapter level. We have learned to do most of our document and information sharing digitally through email. In many ways this is more efficient and is better in the terms of conservation. Regents can share information and flyers with their chapters through email and items don't have to be printed up and distributed. At the chapter level as 1st Vice Regent of the Mercer Girls Chapter, I learned how to plan programs for both virtual and in-person know that the situation could change at any time. Throughout these 2 years, DAR was a constant and I am grateful for the connection to the outside world.

Katherine Gaffney, State Corresponding Secretary

State Organizing Secretary

Madame State Regent,

Though it has been an unusual time in many ways, it has been most rewarding to see that our WSSDAR continues to find innovative ways to serve others. According to the bylaws printed in our yearbook, the State Organizing Secretary has the duty to assist those members willing to organize new chapters and notify the State Regent of the possibility of disbandment of a chapter. We had one disbandment of a chapter, Ocian in View, and there was interest in forming two new chapters. But what this officer found intriguing was the request to provide guidance to chapter officers with revitalization ideas, development or locating their historical records and even assisting with securing their chapter charter. Thus, it is important that the guidelines stated in correspondence during the last two years, be passed on to chapters who may have lost information or through mismanagement no longer have their chapter records. This "resource" book will be handed over to the next State Organizing Secretary at the conclusion of Spring conference. Included in this informative book will be an account of all correspondence, including email communication, and important decision making made by the current state officers and chapter representatives. It will help make a smooth transition from one administration to another.

Thank you, Madame State Regent, it has been an honor to serve in your administration.

Cindy Blue-Blanton, State Organizing Secretary

State Treasurer

In early 2021 our bookkeeper announced her retirement. Over the summer I advertised and screened candidates, and with the assistance of the Executive Board we signed a contract with Joe Paperman. Joe taught non-profit accounting, and has his own business offering non-profit accounting services to minority and women-owned businesses.

State Meetings accepted online payments for the first time. I worked with the committee to implement and monitor this process. We learned from issues that cropped up and implemented improvements for the next meeting.

The monthly rent for the Elvins parking lot, which was drastically reduced by the pandemic, increased slowly throughout the year, but is still not close to pre-pandemic levels. We withdrew $200K from investments to pay $220K in scholarships. Normally more of this is covered by the parking lot income.

Thank you Madam State Regent, for the opportunity to serve.

Stephanie Conroy, State Treasurer

State Registrar

Our chapter registrars, our State Application Team (SAT) and State Supplemental Team (SST) continue to excel. The work of a Registrar is demanding, and training and knowledge are key to our success. We have a monthly Zoom meeting with chapter registrars and each session includes Q and A, training, and great interaction. Using Zoom has enabled us to reach across the state to interact and develop relationships. We also have a private Facebook page where any member may ask for assistance. We have such knowledgeable and responsive members that most requests are addressed within an hour.

Jan 1, 2021-Dec 31, 2021, SAT Data

Our SAT assignments come to us directly from a chapter registrar or Regent requesting assistance with new prospective member applications. If the SAT takes an assignment, we complete the research and application, and send the completed packet to the Chapter Registrar ready for a signature and a check. These are usually applications that a registrar has had difficulty completing. Or the registrar may just have too many new PM's to be as responsive as they would like. We also assist chapters when their registrar is ill or has suddenly resigned. In this way a chapter can be assured that their PMs receive prompt and qualified assistance to become a member of DAR.

Sadly, last year we lost one of our beloved sisters, Sally Jarvis. Sally was an important and active participant. She was always ready to roll up her sleeves and solve the most difficult application or supplement. We miss her.

In 2021 we worked with 92 PMs from 14 chapters and 3 Members at Large (MAL) .

Jan 1, 2021-Dec 31, 2021, SST Data

We began our State Supplemental Team in December of 2020. Any member or Registrar may make a request directly to the SST for assistance for a supplemental application. Since Jan 2021, the SST has had 78 assignments for 17 chapters.

R. Suzette Frederick, State Registrar
State Application Team Chairman

State Historian

Madam State Regent,

You led the way in trying times; you showed us how we could still be relevant in a pandemic where normal meetings were not the norm.

Chapters carried on in innovative ways. With masks on, they still celebrated, welcomed new members, and honored Regents and Patriots although some of those celebrations were postponed (sometimes more than once!).

HSR Lanabeth Horgan saw her projects to the finish line with a trip to Kentucky to honor our first State Regent's Patriot ancestor, and Washington's past State Regents were celebrated and honored by their chapters.

Two new markers were placed to honor WWII Medal of Honor recipients by the Jonas Babcock Chapter. Two markers honoring our Patriots (as part of the America 250 celebration) were placed by Karneetsa Chapter and WSSDAR (overseen and managed by Chief Whatcom). Gold Star Mothers were remembered with a marker near the America 250 marker in Ferndale at Greenacres Memorial Park. Mary Ball Chapter honored a Spanish American War veteran with a grave marker in Lakewood, WA. One WSSDAR member (Rae Anna Victor) honored two Patriots with markers in Kentucky as part of the America 250 project. Records identify many members' gravesites as marked.

Columbia River and Chief Whatcom Chapters published books about their chapters' history. A bench was dedicated honoring an Organizing State Regent on San Juan Island, a tree was planted as part of the America 250 project in Forks, a memorial was held for past State Regent Heather Gilden, and birthday/anniversary parties were held in chapters who had achieved a milestone year. The Mary Ball Chapter will be helping one member celebrate her 100th birthday: Retired US Army Lieutenant Colonel Barbara Nichols and DAR member. She served the Army and DAR both with distinction.

Madam State Regent, it was an honor to serve.

Cheryl Young, State Historian

State Librarian

It has been a pleasure to serve as your State Librarian for the past two years! Our Washington Daughters continue to champion the DAR Library with their chapter activities and programs. In total nine books were donated to our Washington State Library in 2021 from the Annie Pulliam, Elizabeth Ellington, Jonas Babcock, Narcissa Whitman and Sacajawea Chapters. Cascade, Columbia River, Fort Vancouver and San

Juan Islands Chapters donated a total of six books to the National Library.

Chapters continue with their own Book Clubs, have created chapter Lending Libraries, donated books to their local libraries, as well as to Little Free Libraries, senior centers, thrift shops, local schools, shelters, crisis centers, and local ministries. 19 programs on the DAR Library were presented at chapter meetings including seven on the 125th anniversary of the DAR Library. $441.00 was donated to the Friends of the Library Fund, and $891.00 was donated to Friends of Seimes by Washington Daughters.

I held quarterly training meetings with chapter librarians over Zoom. We'd discuss any new information coming through national, as well share ideas with each other as to the things our chapters are doing to support the library. In addition, I guided them through navigating the DAR website and showed them where to look for information on such items as the DAR Library Wish List and DAR Book Club.

Speaking of the DAR Book Club, the interviews with the authors have been enjoyed by many members. If you missed any of them or would like to watch them again, they are available on the Librarian General's page on the DAR website until the end of the VanBuren administration.

Thank You Madam State Regent, it has been a privilege to serve in your administration.

Respectfully Submitted,

Karen Schultz, State Librarian

Parliamentarian

It has been a distinct honor to serve State Regent Lauri Langton and the Washington State Daughters this past year, culminating in two meaningful years of service. I have served as advisor to the State Regent, the executive committee, and to the chapters and clubs, as needed. I have attended the meetings of the Restricted Funds Committee, the executive committee, and the state board of management.

The state society, chapters, and clubs have weathered the pandemic and although in some situations there were creative-style meetings, bylaws were updated so that now and in the future, chapters and clubs can easily transition from in-person to virtual meetings when necessary.

It had been a rewarding two years. Thank you for giving me this opportunity.

Reports of State Chairmen Of National Committees

American Heritage

Many talented Daughters have contributed to the preservation of our American Heritage. The theme this year was Rise and Shine the Light on Your House Beautiful. In the fiber arts category, we have quilts, shawls, table runners, preservation of historic quilts started by ancestors, and many more. In the Other Arts categories stories have been written and greeting cards made detailing historical events and places. It has been a splendid year for American Heritage preservation and a huge Thank You to everyone who so clearly cares about our heritage.

Three talented crafters from the community assisted with the scoring of the contest participants. Awards were mailed to each of the winners to be presented at their next chapter meeting. We have been blessed with a state with many DAR Daughters who care so much for American Heritage.

Thank you to everyone who has entered, made inquiries, or expressed interest in the American Heritage Committee. Next year's theme has not yet been announced. A special thank you to Madame State Regent Lauri Langton for giving me this opportunity to serve.

Anita Speir, American Heritage Chairman

American History

Washington State's first state winner in the new Patriots of the American Revolution DAR High School Essay Contest was Shayla Sutliff, a 10th grader from Central Kitsap High School. "Tomb of the Unknown Soldier" was the topic for this year's essay contest. Our state had three first place winners: Sixth grade state winner was from Ann Washington Chapter, Terinda Crosby; our seventh and eighth grade state winners were both from Elizabeth Forey Chapter, Julia McKown (7th) and Zavion Wilkening (8th).

Americanism

January 2021 was definitely a changing year for all of us. Our DAR chapters in Washington were looking forward to resuming meetings in

person and continuing their activities with renewed energy.

At the NW Colonial Festival Elizabeth Ellington Chapter set up a booth featuring cultures and colonists who settled in North America. Michael Trebert Chapter took advantage of a weekly farmers' market to distribute flags and bookmarks.

As part of "Adopt a Classroom" at Kate Duncan Smith School, David Douglas Chapter sent Johnny Appleseed-themed materials. They displayed a copy of the Declaration of Independence made using a Pre-Revolutionary printing press. Esther Reed Chapter sponsored the "Ruck for the Fallen" race in St. John, held a picnic and recognized Vietnam Veterans with pins and flags. They attended a Memorial Day ceremony and had a display honoring all vets, giving out pins and flags as well.

A few chapters found that partnering with organizations like the VFW, American Legion, Boy Scouts, and such allowed them to represent both DAR and Americanism. John Kendrick and Mary Fell Stevenson Chapters mentored students for the VFW or American Legion Oratory/Essay contests. Chapters placed flags on graves for Memorial Day and wreaths for Wreaths Across America. Flag retirement ceremonies were reported by Mary Fell Stevenson and Ann Washington Chapters. The "What American Means To Me" NSDAR Americanism Photo Contest had 6 entries.

Five chapters submitted new reports this year after no reports last year. While the numbers of some areas went down it was an amazing increase for numbers of items in many areas: 3849 flags distributed, 640 flag pins given out, 1643 Flag bookmarks, 206 Flag codes, 799 Flag Pledge Cards and 368 American Creed cards given out. It has been an honor to serve as WSSDAR Americanism Committee Chairman for these past two years.

Chapter Achievement Awards

This chairman has seen many changes in the Chapter Achievement Awards (CAA) Planning Guide over the past four years and I'm sure there will be more to come with the next administration.

The Chapter Achievement Award is a measure of the health of our chapters and how we meet the goals of our National society. Despite the difficulties of the Covid years, we have continued to meet those objectives!

Awards for the chapters scoring the most points on the CAA nationally will be presented at Continental Congress, however, I have been given permission by our President general to honor our five top scoring chapters at our state conference.

Certificates will be placed in the Regents' mailboxes. Badges, to be placed on their approved chapter websites, will be sent to the Regents of the five chapters.

Chapters with the largest percentage increase in points between 2020 and 2021 are:

1st place Jonas Babcock; 2nd Place Annie Pulliam; 3rd Place Elizabeth Forey; 4th Place Spokane Garry; and 5th Place Marcus Whitman.

Congratulations, Ladies! Your online badges and instruction for their use will be in your email next week.

Sandra Meacham Floberg, Chairman

Chapter Development and Revitalization

The Chapter Development and Revitalization Committee's goal is to promote the health and growth of chapters. This Committee includes the State Organizing Secretary, State Registrar, State Membership Chair, State Lineage Research Chair, State Applications Team Chair, State America 250 Chair and the State Volunteer Genealogist Chair. In 2021, this group worked with the State Applications Team to assist chapters with their prospective members and problem applications. We also assisted chapters with member retention and helped individual chapters with member participation. Our goal for all chapters is for them to have happy, active members and knowledgeable leadership. The committee welcomes anyone to contact us with questions or requests for help and advice.

Lynne Stallcop, Chairman

Children of the American Revolution

Our Membership has grown in 2021-2022. The Kids were still under Covid restrictions but managed to help in their communities by supporting school activities and supporting their State President Luke Byrd in his project of supporting the National and State Parks. I want to thank all the DAR and SAR Chapters who had Luke speak to their chapters through Zoom to bring all chapters and societies together to support our National & State Parks through giving just a dollar when renewing their car tabs. We were able to raise more than $10K to support his project. I so enjoyed working with Luke this past year in promoting his goals and activities. I was able to have regular Board meetings and State Conference during Covid restrictions.

Sally E Buckingham, Senior President W.S.S.C.A.R.

Commemorative Events

Despite the limitations imposed by the world-wide pandemic, Washington State DAR Chapters found innovative ways to mark commemorative events in their local communities, while respecting public health recommendations.

In addition to marking events with parades, ceremonies, and celebrations, this committee recognizes publications created and displays shown in libraries, schools, and in other public places. In addition, chapters have entered the NSDAR committee contest. They submitted an amazing 20 entries this year in the national contest of Commemorative Events, including chapters large and small: Ann Washington, Cascade, Fort Vancouver, Jonas Babcock, Lakota, Mary Ball, Narcissa Whitman, Sacajawea, San Juan Islands, the Spokane chapters as a group, and the state society, WSSDAR. Topics reported on included: Santa Fe Trail, Suffrage, Mayflower, Tomb of the Unknown Soldier, World War II, Independence Day; 50th Anniversary of the Vietnam War, and the most flexible of categories, "Other," which included the centennial of the Ann Washington Chapter, a bench to honor the organizing Chapter Regent of San Juan Islands; replacing a DAR plaque on the state capitol grounds for the governor's home site; a heritage tree in Vancouver; Year of the Flag; Constitution Week; and honoring Isaac Palmer, the Patriot of our Organizing State Regent. We went to Kentucky and dedicated a church monument and gravestone, after reinterring the grave of the Patriot and his wife to a safe location in a local veteran's cemetery.

Thank you everyone. This chairman is excited to have these 20 entries in 10 categories. The division director out of Montana sends her accolades as these entries are outstanding. These commemoration events and publications add to the quality of life in our communities; they educate members and the public; AND they generate interest in DAR. Thank you WSSDAR Chapter Regents, committee chairmen, and members.

Shirley Stirling, Chairman

We also had one awardee from our state society and one from each of the following chapters: Fort Vancouver, Columbia River, Lakota, Mercer Girls, Annie Pulliam, Tillicum, and San Juan Islands. The presentation

For those new to this program, these awards can be made any time of the year for people working in the limelight or behind the scenes; doing big projects or small. The awards recognize volunteer work from the heart.

Constitution Week

In 2021, Washington State Chapters did very well and reported the following Constitution Week activities:

- 19 proclamations requested
- 29 chapters having a Constitution Week Minute or reciting the Preamble
- 21 schools were contacted with 27 classrooms visited
- 302 Constitution Week kits distributed (May Hutton distributing 100)
- 44 Constitution Week displays set up
- 26 events
- 11 newspaper, magazine, newsletter articles
- 9 radio and television spots
- 26 Facebook posts, 24 email posts, 6 text or tweets for Constitution Week

The best chapter activity for Constitution Week was done by Narcissa Whitman Chapter, who created in the main entry of the elementary school a lesson on the Constitution with a display for all 600 students with photos and names of the signers. The display will be up all year as the teachers are using as an educational tool.

The best chapter report for Constitution Week was submitted by Esther Reed who reported 7 city proclamations obtained and 7 displays promoting the Constitution. Esther Reed made use of printed materials to make available to citizens and school children.

The most unique method of promoting Constitution Week was done by Susan Woodin Chapter who painted rocks for Constitution Week and placed them around our neighborhoods.

Other chapters rang bells, held programs, created beautiful displays, handed out brochures, booklets, bookmarks, and flags, obtained City Proclamations, invited speakers, utilized social media on the web to educate about the Constitution, included school children in programs, and utilized radio to broadcast about the Constitution.

Job well done ladies of Washington State!

Nancy Moreyra, Chairman

Ellie was sponsored by the Robert Gray Chapter. Mrs. Sandra Sterling is the Chapter Chairman. Judges were selected from Snohomish County Judicial Superior Court. Thank you Madame State Regent for allowing me to serve.

Sally E Buckingham, Chairman

DAR Magazine

Thirty two Washington State Regents of an existing thirty four chapters subscribed to the American Spirit Magazine. WSSDAR increased total subscriptions from 873 to 906. While we should be pleased that our subscriptions increased, our state membership increased by more than thirty three. WSSDAR has more than 2400 members, so our 906 is below 50%. We can do better.

One of the most valuable tools for Daughters comes as a newsletter with the magazine. This newsletter tells us what the other chapters across our state, nation and overseas are doing for the good of the society. We can glean ideas for our meetings, our service to America, and what other

state societies are doing. We can learn much, and in doing so, become better at what we love to do.

A shout out to Tillicum Chapter NSDAR who for 57 consecutive years have exceeded the 100% of membership in subscriptions. They spread the American Spirit all over their community at libraries, doctor offices, speaker honorariums, family and friends. In 2022, let us all try to copy Tillicum's good example.

Carol Jean Gaffney, Chairman

DAR Museum Outreach

The DAR Museum has grown this year with new acquisitions and world-wide attention due to Zoom programs and updates. This chair was delighted to be able to speak to 5 chapters across the state and finally a few in person talks as well. I spoke on colonial clothing, objects, arts and holidays.

I kept the state notified of DAR Museum programs and fun object details through our Face Book page. During the NW Colonial Festival in August, this chair was able to talk to many people about the skills of our foremothers and objects that our museum has to offer should they be visiting Washington DC.

The "Daughters of Liberty" video series has continued (with Jane Ritchie of Admiralty Inlet Chapter) where we share skills and objects of our past. In 2021 we added 16 segments to the YouTube catalog. These have been seen and used for DAR programs around the country.

It has been my honor to serve.

Respectfully submitted by

Pamela Gassman, Chairman

Thank you Washington Daughters for your support to our DAR Schools and to Madame State Regent for allowing me to serve in this capacity.

Junior American Citizens

As pandemic restrictions continue, our Washington Daughters got creative with JAC activities.

We have a chapter in their inaugural year sponsoring JAC chapters, who have gone above and beyond in every way. In the words of their Regent: Our 1st year promoting JAC Clubs, and this chapter loves it! This chapter sponsors two chapters in sections of their rural county. One chapter is comprised of homeschoolers who all participated in the parade entry 4th of July. Now, they continue to be active with the conservation of the American Elm Restoration project. They also sponsor a second club in a different part of the county with facility support from an American Legion Post. The children learned and helped cleaned Veterans Markers, learned about Jewish stones, participated in the Wreaths Across American Ceremony at the microphone teaching "What is a Veteran" and demonstrating how to lay wreaths correctly before the laying of the wreaths, led the community wide pledge of allegiance for the 4th of July Parade Pledge, Veterans Day and Flag Day, & organized all the colored thank you notes to hand out to Veterans in the County. The commendable work by this chapter earned them the WSSDAR first place award, the Northwest Regional first place and are the National Winners for Community Service! Please congratulate Michael Trebert Chapter for a job well done.

As pandemic restrictions ease and more opportunities are available in our communities, please consider sponsoring a JAC chapter or two.

Christy McElroy, Chairman

Washington State Juniors surely do shine bright!

Washington added 26 new junior members this year! Chapters are encouraged to work with junior members to be more active and take on leadership roles within the chapters.

Members have been encouraging friends and family members to join DAR, especially daughters and granddaughters. Chapters have also been working with their local CAR societies to encourage young ladies to join when they turn 18.

Junior members have been working hard on service projects. Juniors have helped with Wreaths Across America, law enforcement, and many other groups! Chapter across the state participated in the Firefly 5K with 31 members! Chapters honored 8 Chapter Outstanding Juniors for all of their hard work.

As chapters are able to meet again many chapters have continued to do combined in person and virtual meetings to allow junior members who may be working or caring for their kids during the regular meeting time to join in the meetings.

Lineage Research

Lineage Research assists members and Prospective Members with research. We offer research services to members, locate documentation for Prospective Members and member supplementals, assist with AIRs, and help write an Analysis or Service Study.

Via Zoom, the Chair continues personalized training for Registrars. The Chair is a member of both the SAT and Registrars groups, as well as a member of the America! 250 Task Force. She attends their regularly scheduled meetings. Zoom enables Lineage Research, Registrars, and the State Application Team to develop as a group, and reach Daughters all over the state, which has been a boon to members who would have to travel long distances to meet in person.

Lineage Research sends out weekly announcements of webinars that may assist with research for an application. Thank you for the opportunity to serve.

Literacy Promotion

The Washington Daughters did a wonderful job in supporting literacy promotion in our state. Creativity and inspiration led to many successful projects during a continuation of limiting conditions. We increased the chapter member participation with 189 members in 20 chapters. There were 7,529 books donated to schools, organizations, and a variety of needy groups. Amazingly generous financial donations totaled $4,243. This was an increase of over $3,000 from our previous year.

Our Daughters' heart and empathy in trying to create a love of reading and alleviate illiteracy in our communities was apparent with the 3,261 hours dedicated to tutoring and assisting in the promotion of literacy. Special recognition goes to the following chapters for their significant contributions: Chief Whatcom, Columbia River, Jonas Babcock, Mary Ball, Susan Woodin, and Tillicum. Thank you, Madame Regent, for the opportunity to serve.

Peggy Borgatti, Chairman

Membership

Our chapters have a lot to be proud of when it comes to membership. This past year, we had 301 new members approved and had a net gain of 158 members for the State. We had four chapters who met the "shimmer" level of the National Membership Challenge and seven chapters who met the "radiant" level. Twenty-five of our chapters successfully completed the "We Can Do It" Challenge from National

That challenge was to have two new members approved between August and December.

In addition to gaining new members, we also worked hard to retain our existing members. In 2020, we lost 137 members to resignations or drops. We also gained 27 members through reinstatement. Retention remains a challenge, but we are working hard to continue making improvements in that area.

All of these accomplishments were made during a pandemic, which brought with it, unprecedented challenges in gaining new members and retaining existing ones.

Congratulations to all of our chapters. You can be very proud of what you have accomplished, and I look forward to more success in 2021.

Lynne Stallcop, Chairman

National Defense

Even though our Washington Daughters are still under strict Covid mandated restrictions, they were adept to Rise and Shine above the constraints and demonstrated how resourceful and resilient they can be. Our chapters presented 10 ROTC Gold Medals, 27 JROTC Bronze Medals, 3 Silver Outstanding Cadet Medals, 5 Distinguished Citizen Medals, and 15 Youth Citizenship Medals. Chapters donated $1,050.00 to ROTC and Cadet award programs.

Notable Programs include:

- David Douglas Chapter, who created a display at the Redmond Library that included a flag that was flown during Operation Enduring Freedom.
- Elizabeth Forey Chapter, who spotlighted three veteran members, and each gave a highlight of their military career.
- John Kendrick Chapter hosted a program by Colonel Sarah Babbitt, USAF who shared how she was required to disguised herself as a male when transporting prisoners.

And why don't we ask Hallie Portz, how many programs has she presented this year on military rank, uniforms, and the Coast Guard?

Twenty-seven chapters devoted at least 3 minutes to a National Defense report in ALL meetings and 100% used the National Defender as their report. Thank you, Washington Daughters, for your dedication to this committee and thank you, Madam State Regent, for the opportunity to serve in your administration! **Laura J. Nunnelee, Chairman**

Patriot Records Project

The Patriot Records Project is targeted at indexing a variety of state records that heretofore have been stored in DAR files at National. Because they were not indexed by name, the sheer volume made it difficult to use these records to find our ancestors. When this project is completed, all of these papers—the majority of which involve the Revolutionary War—will be usable to identify our Revolutionary Ancestors. We will likely to be able to identify new ancestors whose names may only appear on these papers.

Our State Society continued to work on this very important project in 2021. Eleven members across the state indexed 24,615 names. Compared

with 2020, more people were involved, but fewer records were indexed. The records which we indexed this last year were, in some cases, more difficult to read; this may account for the slight reduction in 2021, and may account for the slight reduction Several of our WSSDAR members have indexed more than 10,000 records over a span of years. This year, one of our members indexed over 10,000 records in a single year! She is Kay McArthur from Mary Ball Chapter; Kay indexed 10,195 records in 2021 and will be eligible for a pin from National.

This is an excellent project. When it is complete, all of us will be able to directly access records for men and women who served our country both in military and non-military ways. I urge you all to participate. Respectfully submitted,

Margaret Ernest, Chairman

President General's Project

Washington Daughters Rise and Shine for America! Looking back at President General VanBuren's administration, shows amazing work completed these past 3 years. The final renovations to Constitution Hall are complete and await Daughters attending Continental Congress in 2022. Because of the generosity of chapters, our state reached 100% participation in the President General Project by donating $7.50 per member within the last 3 years. We've shopped online for special President General's items and received direct mailings from national such as scarves, calendars, and bracelets to help defray costs of the renovations. Supporters are found in every chapter, dedicated to being a part of the projects in Washington DC and our state. We serve by sharing patriotic stories of our ancestors, building up membership, and promoting the rights and responsibilities of being a U.S. citizen. Washington DAR shines in education, patriotism, and historic preservation.

Thank you, Madam State Regent, for allowing me to serve on this inspiring committee.

Julie Pittmann, Chairman

Public Relations and Media

I could write a BOOK about all the outstanding efforts made by our chapters this past year. Space permitting, I can only highlight, but all chapters are to be commended for their PR efforts this year!

Ann Washington Chapter for overall efforts, plus an outstanding YouTube video highlighting their 100th Anniversary Reception; Chief Whatcom for Appreciation Day for local police/sheriff offices where

DAR Chapter members distributed homemade badges and goodie bags to thank all the officers in blue. Narcissa Whitman also created an outstanding YouTube video of their chapter year in review; please check these out!

Nearly every chapter has a social media presence now. We had a fabulous example to follow from Susan Woodin Chapter: the National Winner, Social Media Presence last year! Mercer Girls and Rainier Chapter are other standout leaders in social media postings.

Jonas Babcock for their outstanding community events and publicity, including print coverage of the Adopt-A-Regent project as well as television spots.

Chapters did an overall wonderful job promoting Wreaths Across America events! Mary Richardson Walker, wonderful job with coverage of their chapter's Jackson Cemetery restoration project, May Hutton for utilizing NSDAR tools; "Todays DAR" video at their 25th Chapter Anniversary. Michael Trebert has cultivated a great relationship with local media, being covered in dozens of articles with photos of activities, and local radio interviews. Sacajawea participated in Static Parades, handing out flags and information at several public markets and events.

PLEASE remember to add the official NSDAR Logo to all of your media efforts.

Madame State Regent, I have been honored to serve as your state PR & Media Chairman these past years, thank you for the opportunity to serve~

Service to America

Service to America continues to be an integral part of DAR. As we Rise and Shine for America, WSSDAR contributed 89,594 hours of service. The top five chapters are 1) Mary Ball, 2) Sacajawea, 3) Admiralty Inlet, 4) David Douglas, and 5) Susan Woodin.

The 2021 National Day of Service highlighted many projects from Washington State Chapters. Veterans' headstones were cleaned, paper products were given to Fisher House, women veterans received fifty individual bags of personal items, and an "All for Books" campaign resulted in $325 donation to a school librarian so that needy students could get a free book at the Scholastic Book Fair at a local elementary school.

WSSDAR total mask count was 21,530 with total personal protective equipment at 350. One member from Admiralty Inlet sewed 60 masks for a local school. Many chapters made masks that were donated to veterans,

schools, police, dental offices, Senior Centers, and given to recipients of the Flag Certificates.

WSSDAR nominated Kennewick Chapter for the Outstanding Chapter Service Project and May Hutton Chapter for the Outstanding State Service Project. Winners of these awards will be announced at Continental Congress. Thank you for the opportunity to serve.

Janet Critchfield, Chairman

The Flag of the United States of America

The Covid Pandemic continued to have an effect on this committee in 2021. As we were in basic lock-down until the middle of March 2022, we could not participate in social activities of great size. Fortunately, many chapters were able to hold events involving the flag.

The State of Washington handed out 3,367 flags over the course of the year, which definitely bested 2020. Two hundred and nineteen flag certificates were given by chapters. Three flags were purchased from the DAR Store to be flown over Constitution Hall and then mailed to the designated individuals. Two hundred and fifty-five pieces of flag literature was handed out. One hundred and four meetings included flag minutes.

Michael Trebert and Jonas Babcock Chapters submitted the most thorough reports. The Spokane-area chapters seem to have participated in the most programs that integrated the flag.

I am so impressed how WSSDAR Daughters were able to participate in as many and as diverse programs as they were. 2021 definitely was a better year for this committee and I am sure as life returns to the "new normal" we will all be able to participate in more events involving the flag.

Thank you for this incredibly opportunity to serve.

Units Overseas

As Units Overseas State Chairman, I have stayed informed about our DAR sisters abroad. UO chapters have Facebook pages, newsletters, and the very informative Daughters Abroad Newsletter is published quarterly.

Things have opened up this last year concerning Covid and the Units Overseas have been able to meet again. They were able to have their second 'State Conference' hosted by the Espana Chapter in Madrid,

Spain. Four Washington Daughters journeyed to Victoria, BC to join the New Caledonia Chapter in hosting the President General.

I know several Washington women are associate members of a Unit Overseas and I thank you. I would encourage all of our ladies to join, as an associate member, at least one DAR Chapter in a foreign country. Each member is so important. Go to the DAR Members webpage and Units Overseas under Committees.

Volunteer Genealogists

We are pleased to announce that our 123 WA DAR-trained genealogists (the most in the NW Division!) are at work here at home and within the Northwest Division. Here at home, our trained VGs are busy with further training to enhance their already considerable genealogical skills.

Three chapters, Elizabeth Forey, Karneetsa and Tillicum, have new Registrars who have taken the free Registrar-General GEP 6 class. Eight chapters have added VGs with GEP 4 (DNA and DAR): David Douglas, Elizabeth Ellington, Elizabeth Forey, May Hutton, Mary Ball, Mary Fell Stevenson, Tillicum, and Susan Woodin.

Thirteen chapters have added eApps training to their own VGs' resumes: David Douglas, Fort Vancouver, Jonas Babcock, Kennewick, Lakota, Marcus Whitman, Mary Ball, Mary Fell Stevenson, Mercer Girls, Rainier, Sacajawea, Tillicum, and Whidbey Island. Individuals within our own chapters are also working to help their own members with supplementals or offer assistance to members outside the state: Elizabeth Ellington (TN and TX), Marcus Whitman (CA, WY).

Our VGs attended DAR Webinars, Library Lecture Series, and Genealogical Conferences, and transcribed DAR supporting documentation. They presented Family History workshops at chapter meetings via Zoom; presented stories of their Patriots, presented Family History workshops for family reunions, spent hundreds of hours doing genealogical research for others hoping to have a DAR Patriot; and given workshops on the use of Fold 3. Joan Peters is part of the C.A.R.T (Chapter Application Response Team) NW Division team to work on applications and supplemental with AIRs.

Congratulations to the **2022 State Outstanding Volunteer Genealogist of the Year, Rachel Gaydosh!** Rachel joined Whidbey Island Chapter in December 2015 and has completed all of the DAR Genealogical Education Classes. She is a dedicated and devoted member of the State Application Team. Rachel is often called upon and tasked with some of the most difficult DAR applications, solving issues and

problems at the highest level. Her work has resulted in many new members welcomed to DAR. Congratulations, Rachel!

Joan Peters, Chairman

Volunteer Information Specialists

2021 continued to see Washington Daughters embracing technology as chapters kept their members connected through virtual meetings, social media, newsletters, and emails. Here's a statewide chapter snapshot: 88% have a public website, 44% have a members-only website, and 41% have both; 41% have a public Facebook page, 47% have a closed Facebook group, and 21% have both. 82% distribute their chapter yearbook electronically, 82% distribute their newsletter electronically, and 72% do both.

Thank you to VIS Committee members Terry Barker and Lanabeth Horgen for sharing their technical expertise these past two years in everything from A/V to Zoom.

The VIS Committee awarded its second annual Harriett Rounsley New Frontiers Award and selected a VIS Volunteer of the Year.

Harriett Rounsley New Frontiers Award, Diane Carter, Robert Gray Chapter.

VIS Volunteer of the Year, Kim Smith, David Douglas Chapter.

Service to others has been transformative–for individual members, for chapters, and for me. It has been an honor to serve these past two years as your VIS Committee Chair.

Bronwen Maxwell, Chairman

Women's Issues

The National theme this year was in the Career Category with an emphasis on ways the complexities of life, focusing on career, were handled during the Covid Pandemic. Programs at chapter meetings featuring Women's Issues included: Emergency Preparedness, Balancing Home Life and Job During a Pandemic, Caregiving Services and Recognizing Cardiac Symptoms in Women, Widowhood and What I've Learned Might Help You, and Women and Myths About Your Eyes.

Chapters supported their local communities by contributing to food banks, collecting travel size toiletries to donate, donating blood and by donating to Eastside Baby Corner.

Thank you, Madam Regent, it has been an honor to serve you and the Daughters of WSSDAR.

America 250!

WSSDAR Chapters embraced supporting America 250! during the continued restrictions of the Covid Pandemic. Members had 20 community events, 98 media/newspaper articles, 63 patriotic meetings, 76 Patriotic Minutes and 237 social media posts and 3 patriotic articles in the National Patriotic Post.

The Northwest Colonial Festival in August 2021 had live presentations at their living history encampments and military drills weekend. The DAR booth at the NW Colonial Festival centered on the American Revolution from 1715-1783, which offered educational information on militaria and maritime life, colonial fashion, household life, genealogy, and migration.

One chapter honored their Patriots by planting an elm tree and holding a ceremony at Esther Short Park in Vancouver, WA. One chapter celebrated their 100 Year Anniversary and celebrated their Patriots during the event. Several WSSDAR Chapters honored Patriots with Wreaths Across America in different cemeteries this year in December 2021.

On October 1, 2021, our Organizing State Regent Harriet Palmer Crabtree's ancestor Isaac Palmer's revolutionary war marker was dedicated at the Kentucky Cemetery in Hopkinsville, Kentucky. The dedication was attended by Washington, Idaho, Kentucky, Florida, Texas, and Colorado Daughters and joined by several local SAR's from Kentucky and Tennessee with SAR Color Guards for the dedication. There were also two other Patriot markers that were dedicated in Kentucky during the same visit one on September 30 and October 1, 2021, of which one Patriot belonged to a Washington Daughter and the other who belonged to both the Washington Daughter and an Idaho Daughter.

WSSDAR Chapters will be celebrating the dedication of a Revolutionary War Patriots marker plaque May 29, 2022, for America 250! This dedication will be at the Greenacres Cemetery, Veterans Allied Plaza, Ferndale, Washington, along with a Gold Star Mother's Arbor dedication led by the WSSDAR America 250! Chair.

Darlene Carlson, America 250! Chairman

DAR DNA NETWORK

The goals of this committee are to:

1. Maintain a YDNA database to assist with the verification of lineages on applications and supplementals when traditional documentation does not exist,

2. Help preserve DAR members genetic history for future generations,

3. Study the potential use of mitochondrial DNA and autosomal DNA test results with the lineages on applications and supplementals.

We are a unique group of women who all descend from American Patriots. As the science and study of DNA advances and improves, our database will become very helpful to prospective members needing to solve brick walls and overcome the lack of documentation in certain areas.

I would encourage all of our DAR members who have taken a DNA test to consider adding their test results to the NSDAR DNA Project database at FTDNA.

DAR Leadership Training
Members Course

Three years ago, our President General encouraged us to "Beam with Brilliance" as we met the challenge to promote DAR education and leadership training.

This Board of Management will recognize 19 new graduates at Sunday's Awards Ceremony.

From the 28 graduates of the Members Course, Class of 2021-2022, we will honor five Daughters for outstanding Independent Projects selected from the fields of Historic Preservation, Education, Patriotism, as well as Genealogy and Membership. They are:

Kimberly Schneider, Lakota Chapter for Education; Roxanne Baxter, Ann Washington for Patriotism; Morgan Reid, Mary Ball for Historic Preservation; Elaine Parks, Mary Fell Stevenson for Membership; and Kerry Hill, Jonas Babcock for Genealogy.

We have met our President General's challenge. Now, I encourage you to shine even brighter by increasing your knowledge as Daughters of the American Revolution.

Sandra Meacham Floberg, Coordinator

New Horizons and Committee Leaders Courses

Big changes came in 2021 for DAR Leadership Training with the introduction of the Committee Leaders Course at the end of October. The new course presents "what it takes to be a more effective committee leader from the chapter level all the way up to national level." WSSDAR members eagerly signed up and 5 had completed the course before the end of the year. 2022 promises to have many more graduates. And course feedback is very positive; graduates are looking forward to using what they have learned and apply it to their committee work.

The New Horizons Course builds confidence and leadership skills in aspiring or current DAR leaders. Participants must have completed the New Members or Members Course. The WSSDAR had 5 members graduate with 7 more working on completing it; 4 of the graduates earned a Certificate of Merit for their outstanding Capstone Project in Patriotism, Education, Membership or Historic Preservation. Both courses have been designed to fit into anyone's busy schedule of work, family, and play, through mostly online self-directed learning. Best of all, they are free! All chapters should encourage members to take the New Horizons and Committee Leaders Courses today. The benefits of the courses to chapters and members alike are tremendous.

It has been my pleasure to serve as a course coordinator for the past four years!

Sustaining Supporter Committee

This year contacting Chapter Regents to encourage NSDAR'S Sustaining Supporter program has been mostly through emails to each Regent and the materials we put in the Fall Board of Management's chapter mailboxes. We also sent out Sustaining Supporter information through the State Conference chapter mailboxes. Those educational materials included: a Supporter trifold specific for WSSDAR members describing our personal "no cost" pin reward program for those who became Sustaining Supporters; and the "how to become a Sustaining Supporter" laminated "racks" to be used whenever any in-person meetings have begun.

During our state's cautious restart of in-person activities we have offered to be a part of any program for a chapter. We also offered to participate in Zoom programs a chapter planned to hold as their monthly meetings.

This is our last year to co-chair this committee. We want to say thank you to all those who heard why we were and still are so enthusiastic about the Sustaining Supporter program.

Archives

The state archives are located in the Yakima Valley Genealogical Society Library at 1901 S 12th Ave in Union Gap (Yakima) WA 98903. This is a safe, secure storage area for all state and chapter records and scrapbooks. All items are inventoried upon arrival and easily accessible to any DAR member and can be checked out for use by chapters. Please make arrangements with either Opal Myhres or Joyce VanDenburgh.

This year has been noticeably quiet, however, the library is now open 10-4 Monday through Saturday. We are accepting new materials.

Joyce VanDenburgh, Archivist

Audio Visual and Safety

As the global pandemic raged on through much of 2021, we continued to be online, and my A/V work was again useful for online events including Winter BOM and our society's first ever State Conference in April/May. I created and edited many slideshows for many different committees, and developed a plan for seamlessly showing them at the appropriate time during the event. We added meeting agendas to the slides as a way to make the content more accessible. Behind the scenes, I was responsible for setting up online registration forms which was also a first for these events. Prior to the pandemic, registration was all done by hand, using postal mail and personal checks, but going virtual forced us to find a more modern approach. So, I designed and managed the registration process for these events which were free to attend, using Google Forms.

For Fall BOM, we ventured out and had an in-person event at the Tri-Cities. All attendees had to have been vaccinated, and I changed the way we used microphones because of Covid. All speakers were given disposable microphone covers, and were encouraged to use hand sanitizer after they were done.

Also, at Fall BOM, we continued what was started online—videos and meeting agendas up on the screen, to keep attendees engaged.

Because of health concerns, we used videos rather than our state chorus for the National Anthem.

I continued to purchase new A/V equipment; partly to replace worn items, but also partly to increase our ability to provide A/V services at smaller events like the BOM, and small sub-events at State Conference, in order to keep costs down.

I am thankful to be able to provide these services for the good of the Society.

Terry Barker, Chairman

Bylaws

What are Bylaws and why do we need them? The Bylaws are the legal document determining the key rules, processes, and organizational structure of the WSSDAR. By articulating the procedures the Society must follow, these rules help ensure our nonprofit corporation runs smoothly, efficiently, and consistently.

This Committee is tasked with receiving, investigating, considering, and reporting proposals for amendments to the WSSDAR Bylaws. When our Members approve an amendment at State Conference, the change is integrated into the next edition of the WSSDAR Yearbook. Any discussion of the proposed amendment and the supporting rationale is typically memorialized in the official minutes of the State Conference.

We do not vote on bylaws amendments that the NSDAR imposes because those amendments are mandatory. Delegates at the 131st Continental Congress approved several important changes to the National Bylaws impacting annual fees and dues, new member applications, and meetings. The latest version of the NSDAR's Bylaws is available on the DAR Members' Website.

Thank you again to the members of this Committee, including Advisors Beverley Bills, Honorary VPG for Life, and Beverly Przybylski, Parliamentarian, and committee member Dorothy Reinhardt. We dearly missed committee member Sally Jarvis.

Chapter Officer Training

This State Chair of Chapter Leadership Training was contacted by DAR Leadership Training Committee National Chair, Janet McFarland, to assist in providing content for upcoming National Leadership Training webinars. This chair provided content for "Knowing Your Membership - Choosing Your Committees" and "The Reporting Connection; Chapter,

State, and National" and contributed additional content for related webinars.

These webinars were instrumental in the formation of the National Committee Leaders Course which is now available at www.members.dar.org. If interested please contact the Washington State Committee Leaders Course Coordinator, Maureen Vanek vanekdar@gmail.com.

Thank you, Madame State Regent, for the opportunity to serve.

Community Classroom

During 2021, 36 members of 35 WSSDAR Chapters volunteered in their local community classrooms, impacting 1,277 children. In-school involvement included mentoring students; presentations on the American flag, Constitution, state history, and colonial life; helping to set up a high school home economics food lab; organizing and leading Kids Voting activities; providing weekend take-home meals for at-risk students; serving with the PTA; volunteering regularly in classrooms; and more.

Financial support included preparing donations to food and activity bags; underwriting supplies for a Veterans Day assembly; gifts to the Museum of Flight's Aeronautical Science Pathway course; donating book fair gift certificates, school supplies, masks, and more. Of special note, Rainier Chapter House gave space to a 4th grade class whose school required more room to meet social distancing mandates. How else can WSSDAR Daughters support our local schools?

Conference Credentials

Madam State Regent,

As of 9:00 a.m. on Saturday, May 7, 2022, this chairman reported 172 eligible voters.

However, after voting closed, this chairman counted those who had voted and added the State Officers who she was told would vote in their places and determined that 179 votes had been cast. The Chairman of Tellers declined to compare numbers with this chairman and as I was ill, I left the conference to return home before the afternoon session began. This discrepancy occurred for a couple of possible reasons: 1. This chairman has no way of knowing if all the officers voted; 2. This chairman is aware that several delegates, who were duly elected by their chapters to serve as delegates at State Conference, came to vote without having previously checked in at the credentials table. Since they were

duly elected by their chapters, this chairman could not deny them the right to cast a ballot.

This chairman suggests that in future years when officers are elected, a brief recess is called during the Saturday morning session so that officers can personally sign the voting sheet and cast their ballots with a privacy that is not possible when they are sitting right next to each other. When the officers arrive to vote, they are to be escorted to the head of any line waiting to vote, thereby making the recess as short as possible. She also suggests that the hotel (or someone) be advised to have a table and chairs set up outside the voting room early enough so that voters don't have to wait for that to happen when the polls are opened. The credentials chairman and an assistant will occupy that table, having each voter sign the voting roster before entering the polling place. The pages will advise voters to line up at the table to sign in before entering the polling place.

Madam State Regent it was a pleasure to serve during your administration.

Protocol

This Committee serves to give members guidance in the ceremonial forms and courtesies that are established as the proper and correct etiquette for recognizing and honoring those in positions of leadership, remembering always that the fundamental principles of protocol are dictated by ethics, courtesy, good manners, and common sense.

The Official Procedure & Protocol Booklet 2020 can be found on the DAR Members' Website. The single most important tool for members to use to insure correct protocol is the DAR Order of Precedence contained in that booklet. Please consult this order of precedence when planning conferences and other meetings so that our members and guests will be honored by being placed correctly at various DAR events. Additional

information can be found in the chapter on Protocol in the DAR Handbook & National Bylaws.

A huge thank you to Katey Purgatorio and to Donna Hart for their willingness to assist when the going got tough.

Quiet Place Park

Quiet Place Park has held up well this past year. The signs are all in place with no graffiti. Entrance signs and rules of the park and doggie bags are posted at the three trail entrances, along with a trail map at the main entrance. Posts are at each junction of the trail to indicate place on the map. All wet areas are either covered in gravel or bridged by wood planks covered with non-skid mesh. All benches are in good repair with no graffiti or carving. There are no hazards to walking on the paths, no trees downed or washed out areas. Trails show annual maintenance. Areas where trees have blown down in the past are planted with young cedars and firs which have grown nicely this last year. The major slide area from the last 10 years seems still stable with no new earth movement or cracks on the trail above the slide. No trash or signs of homeless occupation.

State Meetings Committee

What does the State Meetings Committee do? The simple answer is that State Meetings Committee is responsible for planning our state meetings. Therefore, chapters are encouraged to say “yes” when asked by this committee to help plan and participate in a state meeting. The WSSDAR 1st Vice Regent chairs this committee. Members include the WSSDAR 2nd Vice Regent, Treasurer, Recording Secretary, A/V Safety Chair, and members appointed by the State Regent for a two-year term.

It has been an honor and a pleasure to chair the SMC. Thank you to the 2020-2022 committee members: Jacqueline Riddell, Emmelyn Hart, Stephanie Conroy, Terry Barker, Judi Hine, and our State Regent, Lauri Langton. Thank you to State 2nd Vice Regent Jacqueline Riddell for her careful planning and ensuring no state meeting detail is overlooked. I do not want to forget our A/V Chair, Terry Barker. Without her expertise, we could not hold a state meeting. Thank you for all you do!

Thank you, Madam State Regent.

State Speakers Staff

Many of our speakers canceled their programs due to the pandemic with the restrictions placed and the way they presented their programs.

We are in the ZOOM AGE. Virtual meetings made it possible for many speakers to attend Virtual meetings when called upon to stay connected with chapters and the public.

Popular programs presented this year include "The Salem Witch Trials," "How to Enhance Your Family Story by Using Post Cards," "Christmas Music of Our Revolutionary War Ancestors," "The Overland Trail 1854 to Auburn and Kent, Washington," "Ordinary Women Who Did Extraordinary Things," "18th Century Sewing," "The Life and Times of Laura Ingalls Wilder," and "18th Century Fashions."

Take advantage of these presentations as you plan your programs. You will find our programs listed in the WSSDAR Directory and Yearbook 2022-2024.

Thank you for allowing me to serve as Chairman for the WSSDAR State Speaker Staff. It has been an honor Madam State Regent.

Eastern Washington Chapter Regents Council

Regretfully, due to our current EWCRC bylaws and standing rules, we were unable to meet at the appropriate times due to Covid. A bylaw committee has been appointed to resolve this flaw in the bylaws, but until the council is permitted to assemble in person to vote on the new bylaws and standing rules, they are unable to pass.

We look forward to meeting again in person and online in the future. Madam Regent, it has been an honor to serve.

Laura Nunnelee, President

Greater Seattle DAR Regents Council

Finally, able to meet in person again, the Greater Seattle DAR Regents Council got back to work at our September 2021 meeting. With libraries still closed due to the pandemic, we were grateful to Rainier Chapter who opened their beautiful chapter house to us for our meetings.

In November, the National Defense Luncheon welcomed speaker Bill Knudsen, who shared a moving program about the Puget Sound Honor Flight program including personal stories and photos taken during several of the trips. Regents Council Secretary, Mary Peters, also shared her program "WSSDAR Honor Flight Quilts 2021." With proceeds raised from the "Bell Ringing" and raffle, we were able to give a donation to the Puget Sound Honor Flight helping with their goal of transporting our heroes to Washington, D.C.

In February, the Regents Council hosted an abbreviated George Washington Statue Celebration. Members from several DAR Chapters, SAR Chapters and C.A.R. Societies gathered at the statue to lay wreaths.

The Greater Seattle DAR Regents Council continues its tradition of service and DAR friendship.

Madame State Regent, it has been a pleasure to serve.

Katey Purgatorio, President

Cameo Society

The WSSDAR Cameo Society is a social club whose motto is "Promoting Patriotism and Family History through the Generations." Membership is open to any two or more active Daughters who can show a two-step relationship to a common ancestor.

In addition to our social activities, we also strive to make donations to both state and national projects. In 2020, our society donated $2500.00 to the National Society for the refurbishment of the Washington State Seal in Constitution Hall.

Traditionally, we have a breakfast at State Conference, where we have social time and a brief business meeting. We are looking forward to having this breakfast once again in 2022.

We currently have 181 members. We would love to welcome more new members in 2022, so feel free to contact me about joining our society.

Lynne Stallcop, President

Chapter Regents Club

The WSSDAR Chapter Regents Club held their annual meeting on Thursday, May 5, 2022, at the Seattle Airport Marriott. Members and guests were welcomed by the executive board which included President Hilda Meryhew, Secretary Rae Anna Victor, Chaplain Dana Langworthy, and Historian Mary Peters. We were honored to have NSDAR President General Denise Doring VanBuren, WSSDAR State Regent Lauri Langton, and NSDAR Office of Development Sandra Pollack attend. Special guests were WSSDAR Honorary State Regents, Janelle Braithwait, Lanabeth Horgan, Kate Hull Pease and Jacqueline Perry, Outstanding Chapter Regent for 2021 Karen Schultz and 2020 Outstanding Chapter Regent Judi Hine.

A moment of silence for deceased members was held. Members and guests enjoyed dinner with a program to be presented in the future, "Our House Beautiful and Service," by Rae Anna Victor of Jonas Babcock. Chapter Regents Club gave several monetary gifts including the President General's Project, State Regent's Project, Outstanding Chapter Regents and to the State Outstanding Junior.

Bylaws, Standing Rules, and proposed budget were voted on and passed. New officers were elected at the meeting for the term of 2022-2024. The Chapter Regents Club has a total membership of 172.

It has been a pleasure serving you Madam State Regent.

Hilda Meryhew, President

Juniors Club

WSSDAR Juniors Club is for any junior member or any DAR member that joined as a junior. All members who fit those criteria are encouraged to join.

Washington Juniors have been greatly encouraged and inspired by DAR members. With Covid we were unable to meet in person but hope to again very soon. The state chair of junior membership serves as the president of the Juniors club. Appointments are made to fill other positions within the Club. Honorary State Regent Janelle Braithwait serves as Club Treasurer. We hope the Junior Membership Club will continue to grow. This is a great way for juniors to get more involved as well as receive guidance from more experienced DAR members.

Shannon Harper, President

State Officers Club

The State Officers Club got caught up in the Covid disaster just like all of the other clubs. Our bylaws were outdated and did not allow for Zoom meetings, we were not able to get our incoming officers elected and/or installed so they were not official and to top things off, the outgoing President moved, and the unelected incoming President had medical issues in her family and could not serve. Oh well, in DAR we are nothing if we are not flexible. As we prepared for State Conference, we had members step up and help to right the ship. Many thanks to HSR Julie Pittmann and State Parliamentarian Beverly Przybylski for doing such a wonderful job updating the club bylaws. We have new bylaws and have elected and installed new officers. Thank you to all the wonderful ladies who volunteered to serve as our club officers past and present.

The State Officers Club would like to remind all of the members of WSSDAR that the State Officers Club has a wealth of information stored in our membership. If your chapter needs assistance, please turn to your nearest State Officer Club member; if she can't help, she probably knows someone who can.

Lastly, to Madame State Regent and her board, I would like to say Thank You. You have had all the work and very little of the fun.

State Restricted Funds Scholarship Committees

Catherine Marie Elvins, Dr. Richard E. Elvins and Naomi Libby Elvins Scholarships

The Elvins Scholarship distributed $218,928 to 18 University of Washington Medical School Students. We received 23 applications but unfortunately 5 of the applications were incomplete and thus the students were disqualified. Each 1st year student received $5,342, each 2nd year student received $10,670, each 3rd year student received $16,019, and each 4th year student received $21,356. Applicants were required to have their completed applications to the committee by April 9, 2021. We were very pleased to have 8 returning applicants this year.

Joretta Heath, Chairman

Kathryn Hull Pease "I Believe" Scholarship

The Kate Hull Pease "I Believe" Scholarship had some very worthy applicants. I am pleased to announce that the scholarship goes to

Christina James of the Tillicum Chapter. Congratulations, Christina.

Mary Peters, Chairman

Patton/Rossman Scholarship

Dear Madam State Regent,

The Patton/Rossman Scholarship Committee is delighted to announce a winner for the 2022-23 school year. After updating forms, information, and criteria, over the past few years, we were pleased to have four applications with well qualified candidates. The excellent committee consisting of Co-Chair Elizabeth Gildersleeve, Suzette Frederick, Melonie Liening, Shannon Braithwait Harper, Janet Critchfield, and myself promoted the scholarship throughout the state. The winner is Kevin Cassidy of Ellensburg, attending Central Washington University with plans to teach history.

Thanks to the generous help from State Regent Lauri Langton, the WSSDAR Executive Board, and A/V Chair Terry, information regarding scholarships is available on the website allowing students and schools to learn about opportunities from our society.

We look forward to continued involvement supporting American history through scholarships. Thank you Madam State Regent, for the honor of serving on this committee.

Julie Pittmann and Elizabeth Gildersleeve, Co-Chairmen

Weber-Riemcke-Schreiner Scholarship

Having two consecutive years with no applicants, research was done this year to find out why. When looking at the original wording of the bequest, it was determined that the qualifications put in place not only narrowed the applicant pool too much, but was likely contradictory to Lucille Schriner's intent with her gift. The Restricted Funds Committee is proposing bylaw changes to be presented at the 2022 State Conference which will allow the committee to revise the qualifications for applicants. It was also discovered that the way we have been advertising the scholarship is outdated and we are exploring options that will be improve visibility and accessibility. We hope that we will get applications in the fall of 2022, to be selected and paid in 2023 for the 2023-2024 school year. Thank you Madame State Regent for this opportunity. I have learned much in my first year in this role.

Many of this year's meetings were conducted via Zoom with video programs or speakers, augmented with service projects or social gatherings.
Chapter members attended the Port Angeles 9/11 commemoration, participated in the Michael Trebert led Wreaths Across America ceremony in Sequim and laid wreaths at the Gardiner cemetery. We supported the American Legion Post's Veterans Day program with Jane Ritchey as Martha greeting attendees.
At Winter BOM, we learned our chapter, with few active members, had completed 5,380 Service to America hours placing us at 5th in the state.
We celebrated General Washington's birthday with a luncheon. When chapter members are not serving America they are completing DAR courses enabling them to better service other members.
All year Admiralty Inlet has been most active in restoring the presence of Marvin Shields to Port Townsend. In October we installed and dedicated a memorial bench below the flagpole at the Marvin Shields American Legion Post. Rather than abandon the vandalized memorial site established by our founding chapter members we have partnered with the Michael Trebert Chapter and the John Paul Jones SAR Chapter to clean up the landscape and to install and dedicate a replacement plaque in June.

The Annie Pulliam Chapter had a very productive year. We honored HSR Mrs. Brooke at Evergreen-Washelli Cemetery, cleaned 231 veteran's headstones at the Mt. Si Cemetery in North Bend, placed flags on veteran's graves for Memorial Day and sent care packages to Camp Atterbury.
We participated in many activities in our community such as collecting Christmas gifts and making valentines for the local nursing facility. Members participated in a special Veteran's Day for the Red Oak Retirement Center and North Bend Senior Center. We have filled 1500 treat bags for the "Back Pack" program and passed out 300 Pledge of Allegiance bookmarks to children in the Valley. We were honored to prepare and host the 2022 Winter BOM, and our chapter gave out 3 community service awards, presented an ROTC Bronze Medal and Certificate to a Cadet at Liberty High School, and we also sponsored a Helen Pouch grant winner. Our members consist of a state officer, state chairs of national and state committees, state committee members, member of the SAT committee and president of the GSDARRC. We had 100% of our members renew their membership this last year plus we had 2 new members join our chapter.

This year our Cascade Chapter celebrated 60 years of service. An article in the national January-February Daughters Of The American Revolution Newsletter shared details about our celebration and American Spirit magazine published our article for "What's in a Name."

We presented the JROTC bronze medal and $300 to a high school senior. Our Cascade Scholarship of $2000 was awarded to two graduating seniors. A Mountain-to-Mountain award of $700 was presented to a senior at Kate Duncan Smith DAR school on awards day in May. We supported Enatai Elementary with $200 for their Veteran's Day virtual assembly and music program.

The Cascade Genealogy Group and Cascade Literacy Society met virtually. At our October meeting for National Day of service, we held our Fisher House paper drive. We collected and donated 62 rolls of toilet paper, 74 boxes of Kleenex, 14 rolls of paper towels and 1620 napkins.

For the 50th Anniversary of the Vietnam War our chapter participated in a Vietnam War Commemoration. At monthly meetings a biography of a chapter member's relative who served during this war was shared and a decorated tri-fold was updated and on display.

Columbia River Daughters have been very generous by donating items over $21,651.68 to Goodwill or other recycling drop-offs. On Earth Day, we registered a community event on Earthday.org in our area, and have now partnered with Hanford for our second year. Our chapter donated $125.00 towards the America 250! Patriot Marker fund, donated $1,050.00 to the American Indian Funds and donated numerous personal items for the DAR Christmas bags to be given to the Chemawa Indian School. We awarded a DAR Outstanding Cadet Medal, JROTC medal, 2 Distinguished Citizen medals, Community Service medal and Entertainment and Media Award. We participated in Service to America by handing out cookies to our local fire stations and police department. We marched in the Veterans Day parade, handed out flag lapel pins during the Memorial Day Service and planted 1,500 U.S. flags on the veterans' graves interred at Sunset Memorial Gardens Cemetery. Operation Diaper Bag netted $2,000 worth of baby clothes for our women veterans. Wreaths Across America was larger than last year. We gained eight new members and donations have exceeded $49,057.78. It has been an honor to serve!

This was a special year as David Douglas Chapter celebrated our 40th anniversary. Our ceremony touched on the dedication and service of our chapter. Member anniversaries of which 16 Daughters celebrated 10, 20 and 30 years of service while also welcoming 21 new members over the past 3 years. We also recognized 3 Women in American History who were early leaders in Redmond. A lovely memorial service for those special women who contributed so much, as well as the service and projects thru the years!

We continued to support organizations and projects including Constitution Week, Operation Christmas Cards, Wreaths Across America, Troopons, Project Patriot and Lineage Research. We recognized 5 DAR Good Citizens in our community. There were also library donations and service to our community thru Eastside Baby Corner and Scholastic Book Fair. Many members completed GEP 5 & 7 courses, and are a graduate of DAR course work and DAR-trained Volunteer Genealogists to help guide our chapter and others. We recognized the Outstanding Volunteer Genealogist of the year, Jackie Riddell, and the Washington State Volunteer Information Specialist of the Year, Kim Smith. We are truly blessed with such amazing, creative and hardworking women! As I look back over and realize just what we have accomplished, virtual meetings and now in-person, what a year it was. We supported each other checking in on our members to ensure we were safe and supported. It has been an honor to serve and stand by these amazing Daughters. **Jennifer Davis, Regent**

Elizabeth Ellington Chapter committed to historic preservation at cemetery cleanups and participated in the Colonial Festival. We also highlighted the service of diverse Patriots during a "Forgotten Patriot Minute" at meetings.

We supported education by awarding the Angie Webber Harrison Scholarship to Shar Kerson, nursing student; honoring seven Good Citizens; and sponsoring the state winner of the inaugural Patriots of the American Revolution Essay Content, Shayla Sutliff.

We embodied patriotism by donating quilts and PPE to Washington Veterans Home at Retsil; volunteering at the Kitsap Veterans Day event; supporting North Olympic Veterans Housing Network (Chapter Regent's Project); placing flowers on Memorial Day and Patriots Day; distributing flags at the USS Theodore Roosevelt homecoming; hosting the Cocoa-Cookie Canteen at Wreaths Across America; donating welcome kits for Afghan refugees who supported the US military (NSDAR Day of Service Project); organizing a chapter food drive; and donating blood during the pandemic.

Elizabeth Ellington Chapter's inspiration this term was words of DAR Founder Ellen Hardin Walworth: "I am determined not only to hold my own, but to make myself felt in the community to which I belong," which we definitely accomplished! **Kelli Gracia, Regent**

I am the proud Regent of 71 beautiful, talented and smart members. About 25% of the most beautiful, talented and smart attend our meetings and events. We hold eight meetings per year with programs by and for women, veterans, family history, general and local interest. In December we set out 36 Wreaths Across America at the Old Gig Harbor Cemetery. For the 2021 Day of Service a handful of women churned out about 1300 masks. We mailed ten boxes of holiday cheer to the USS Carl Vinson in December. We were only supposed to send three, but it was so much fun gathering items we went a little overboard. (That's a Navy pun.) The boxes were full of decorations, small games, candy, apparel and greeting cards with our well wishes. We participate in the annual essay contest and financially support the American Lake Veterans Home by purchasing "canteen coupons" for homeless vets living there.

We conducted monthly meetings via Zoom and utilized "Hybrid" meetings. We utilized members knowledge to minimize personal exposure: DAR Units Overseas, Forgotten Patriots, Women's issues by boosting immune systems, Patriotic Inspirations, Benefits of DAR Membership, Member Ancestors, Immigration, Veteran Issues, Weaving in Colonial America and Human Trafficking. We continued supporting the "Zion Hill Cemetery Project" along with distributing 10 large baskets to local EMS, and Law Enforcement agencies. Additionally, we awarded two local Businesses Community Service Awards and continued to support HRC Ministries to combat Human Trafficking.

Esther Reed participated in planting and dedicating Ten "Never Forget" Gardens. We participated in the Fairfield Washington Flag Day Parade, Fairfield Military "Wall of Honor" Memorial, Veteran's Day Memorial, Ruck for the Fallen, Memorial Day, Vietnam War Memorial and donated to Wreaths Across America." An "On-line" auction raised funds, and we awarded scholarships. Christeen Olson received and digitized bible records from members and is the Deputy DAR VAVS Representative. Cindy Blue-Blanton was the State Organizing Secretary and is heading the re-dedication of Whis-alks Way in Spokane which will be held in late 2022. Members continue to donate lap quilts, care packages to in-service troops, face masks for Veterans and senior citizens. Many books and personal care items are contributed to both Veteran causes and local charitable contributions.

Fort Vancouver Chapter's accomplishments were not slowed by the pandemic. We gave 53 pounds of food to the Clark County Food Bank at Christmas, sent over eight pounds of coupons to Landstuhl, donated $350.00 to the Clark County Veteran's Assistance Center, $500.00 in supplies, food, and gift cards for the residents at Fisher House, and $100.00 to DAR Schools. We sent hats, gloves, and scarves to students at Chemawa Indian School at Christmas. We recognized cadets at two local high schools with JROTC medals and certificates and gave each school $150.00.

Our members had an impressive 4,562 Service to America Hours. We placed flags on veteran's graves at Brush Prairie Cemetery on Veteran's Day and Memorial Day. We published an article in the Evergreen Messenger, and our Genealogical Records Committee was recognized in the Daughters newsletter, after sending a book of 300 records. A Commemorative Event was held in the summer with the Vancouver Mayor speaking. We had programs that touched on all three DAR Goals. We produced nine mid-month newsletters that helped keep the members informed and kept meeting times shorter.

Once again, we were pleased to award 4 middle schools with Awards for Outstanding Students in History. We partnered with our local American Legion post to mentor a student for the national High School Constitutional Oratorical Contest. We included articles about Americanism and Historical 1st Ladies in our monthly Chapter Newsletter. We helped organize and participated in our local Memorial Day Remembrance at 3 local cemeteries. For Constitution Day we had a guest speaker on "Women's Roles in Creating the Constitution." We continue efforts to support local veterans with cards, letters and works of service through our "Adopt a Veteran" program. Through our "Operation Stone Garden" we research and contact families of local veterans with damaged grave stones in our cemetery, to offer help with restoration. Members participate in American Flag retirement ceremonies. We've also purchased a bronze braille flag plaque to be place at the courthouse. We participated with "Adopt a Regent" to honor 5 State Regents from JKC. We enjoyed a Zoom program with our JKC member Col. Sarah Babbitt USAF, about "Women in Today's Air Force." A member presented a program on Emergency Preparedness and Go-Bags.

I was able to attend Continental Congress this past year and thanks to the ability and use of cardboard cutouts, was able to take part with eight honorary past regents of our chapter, including my grandmother who was Organizing Regent. Kareneetsa had a big push with revitalization through integration and ease of use of electronic systems. Our chapter was able to obtain a PayPal account, card reader and laptop to make dues more accessible to members. Our executive board learned eMembership and tools available to contact and update of our members who have been isolating. Although we were eager to meet in person, there were still occasions of meetings held electronically as well as programs. We were able to use this to our advantage for several commemorative events such as 9/11 and the Tomb of the Unknown Soldier. In the past year our chapter has strengthened its partnerships by continuing to contribute to the annual Stand Down, becoming the local coordinator for Wreaths Across America, becoming involved with the JR-ROTC at the high school, continuing to present the Gold ROTC medal at CWU, inviting C.A.R. President Luke Byrd to present his program of national parks at one of our meetings, sponsoring a family at Christmas through the local service of New Hope, donating over 15 quilts made by members for the honor flight, as well as coordinating future involvement with the local community and leaders. We continue to work toward increasing our service to America tally through individual efforts as well. Madame State Regent, it has been an honor to serve. **Stephanie Massart, Regent**

Kennewick chapter resumed in person meetings at the beginning of 2021 and added the Hybrid option in March so more members could attend who lived out of the area or were still not comfortable with in person events.

We donated to three local Food Banks, awarded one JROTC Bronze Medal, attended two Veterans Stand Downs and had the honor of attending virtually the Commissioning Ceremony of one of our Junior Members into the US Navy.

Members marched in two Veterans Day parades, assisted in setting up for Time of Remembrance, made and donated six Honor Flight Quilts, and put up one Constitution Week display at the local library. We had several members join with Columbia River chapter and the Mid-Columbia chapter SAR to clean and restore the Veterans Wall and Armed Forces Monument at our local cemetery. We helped to place over 300 flags on veterans graves and placed a wreath during the Memorial Day service. In addition, we helped to sponsor 1251 wreaths for Wreaths across America.

Members attended and participated in the planning of the Fall BOM in Kennewick and attended virtually the State Conference and Continental Congress.

We welcomed one new Junior member and had two members complete four GEP courses and one member completed the New Horizons course. We have one member serving on the State Executive Board and several members serve as State Committee Chairs.

The highlights for me as Regent finishing my third term, were being selected as the Vivian E. Bower Outstanding Chapter Regent for 2021 and the return of our chapters original charter from 1912, both of which I am so grateful for!

It has been a privilege to serve as Regent for the Lady Stirling Chapter.
The chapter members have been active in 2021-2022. The membership did put out flags for Veterans Day and Memorial Day at the Bothell Pioneer Cemetery. We have continued to clean and remember the veterans buried at the cemetery with their stories. We joined a Civil War History and Walking Tour in October 2021 to better acquaint ourselves with the men buried there, website www.seattlecivilwarlegacy.com. This event was our Day of Service project. The chapter did have a Constitution Week display at the Mountlake Terrace Library the week of September 17-24, 2021. The City thanked us, and I have an interview with the City about the importance of Constitution Week which went on their website and newsletter to their community. The members continue to fill back packs for homeless veteran women through Volunteers of America. We also contributed to Kate Duncan Smith School, NSDAR with school supplies and clothing. Our chapter made monetary and food donations all year to Northwest Harvest. As Regent I attended all Board of Management meetings and State Conference.

The Lakota Chapter stayed busy during the pandemic. Volunteers built and erected a Little Free Library, inducted 7 new members and held our recognition event virtually where we recognized Honorary Past Regents and presented anniversary certificates among other award honorees. Our National Defense Chairman presented ROTC and Youth Citizenship to cadets from three high schools. In June 2021, the chapter celebrated the Lakota Chapter's 40th anniversary during an in-person event. In August 2021, the chapter was represented at the Adopt-a-Regent dedication for Leanna Douglas at the Evergreen-Washelli Cemetery in Seattle. In August, we attended the headstone dedication of Alfred Roach, a Spanish American war veteran. Our members volunteered at the Auburn Food Bank as our Day of Service. Chapter members participated in the Auburn, WA Veterans Day parade. Our Regent went with the WSSDAR delegation to Washington to tour the renovated DAR Constitution Hall, Arlington Cemetery, WWI Memorial Veterans Day parade, Military Women's memorial and museum. Two members completed leadership and genealogy courses online. Lakota member, A.L. Kinshella published a book titled The God of Our Father. Two copies were purchased by the chapter with one donated. Anita Speir is the Chair for the State and the Chapter American Heritage Committee. This year our DAR Good Citizen Committee Chair presented the 2021 award to a student from the Muckleshoot Tribal School. Sundry items were collected and mailed to two designated troops. We also donated six hard back books to the Orting Veterans' home.

My Chapter Regent's report is really all about the lesson we learned during Covid and its variants. I took office in September 2020 when the pandemic was just ramping up and in-person meetings were to become a memory. We had to adapt to new technology and become accustomed to using a new way to meet—via Zoom—which was a contributory factor in moving us forward.

We found innovative ways to continue to make a difference in our community. Our level of commitment was reflected in our 2021 Chapter Achievement Awards where once again, we attained the highest level of Chapter Achievement, this time placing in the top five chapters in the state!

Throughout the pandemic, we stuck together; we adapted to circumstances; we never lost hope; we listened to one another and found that Covid impacted each of in different ways; we offered our support to those of us in need. We never gave up. We showed our resilience in the midst of the chaos of a pandemic.

We were able to shine a light on our patriots with a Patriot Minute. We celebrated our 110th birthday in June with our first in-person meeting in 16 months in a Snohomish Park, enjoyed special birthday cupcakes, held a silent auction that raised several hundred dollars, did some team building and discovered that listening is as important as leading.

Now, as my term grows to an end, I can say, proudly, we've managed to survive—that's the largest lesson—and with an influx of new members and transfers during the pandemic, we're on our way to thriving once again. And amid all the chaos that life brought with a virulent and deadly pandemic, Marcus Whitman still found a way to continue.

We were braver than we believed
Stronger than we seemed
And smarter than we thought
Thank you, Marcus Whitman. It has been an honor!

The ladies of Mary Ball Chapter found many ways to Rise and Shine, despite the continuing pandemic. We had a busy year and participated in a variety of activities. The year started with "Salute to Service," which supported law enforcement officers with deliveries of food and thank you cards. Our members made 19 quilts for Honor Flight, donated over 6200 Books, collected over 150 pounds of food, donated clothing to "Suits for Service," and honored 4 WWII veterans. We awarded $13,000 in scholarships and held two dedications, one for our State Regents' grave markings and one for former soldier Alfred Roach. We had 10 members participate in a Day of Service project at a local cemetery and 7 members participate in the Firefly 5K. Our ladies were very active in Project Patriot. We sent 9 packages to women serving overseas, 16 packages as part of Operation Bean of Life, and participated in Toys for Tots. Our chapter participated in Memorial Day celebrations at Mt View Cemetery and supported Wreaths Across America at the Orting Soldier's Home Cemetery and Cuzco Wells Cemetery in Guantanamo Bay, Cuba. We donated $1000.00 to the Puget Sound Honor Flight, and $500.00 in gift cards, two scooters, 10 bags of toys, and 325 books to "Stuff the Bus" to help underprivileged children in the Bethel School District. We welcomed 17 new members to our chapter in 2021. I am proud of my chapter and am honored to serve as Regent. **Lynne Stallcop, Regent**

Our 2021 year ended with the chapter still meeting virtually and that continued until April 2022. Attendance never waned from the beginning of the pandemic up through the return to our in-person meeting April 2022; nor did our activities. Members continued to log their Service Hours and accumulated a record number for the second year in a row. Outdoor activities were well supported; we cleaned the gravesite and headstones of our namesake, Mary Fell Stevenson and her family plot to be sparkling for Memorial Day and conducted a trash cleanup for the Day of Service. In November members distributed wreaths for Wreaths Across America. We now are a sponsor for the WAA at Tahoma National Cemetery. We were excited to once again return to the Black Diamond Labor Days Celebration hosting a booth. Our chapter holds a pie baking contest for the community during the 3-day event, walk in their Labor Day Parade handing out 1000 American Flags and Flag Codes and conduct a Flag Retirement Ceremony on Labor Day. For 2022 the chapter created a "Never Forget" garden at the Black Diamond Cemetery. Our garden committee kicked into high gear in February as the City and Cemetery Board began approving our plans and expressed a desire to have our beautiful garden completed by Memorial Day. The 10ft. x 10ft. garden was completed with red, white and blue plantings. We had a variety of informative and fun programs, and we had our "virtual" Christmas tea again. But now we are planning our annual June picnic and rejoicing at seeing and greeting one another with hugs and joy at being together once again. **Marcia Beck, Regent**

Monthly meetings were held by Zoom, we flew our American flags, wrote letters to active military troops, sent cards to an Honor Flight Vet, informed 5 teachers about the DAR Educational Resources available, presented an American Spirit Minute at each mtg., participated in the Day of Prayer and National Day of Service. We improved our chapter newsletter & website.

Our main service for the year was to continue restoration work for the Pioneer Jackson Cemetery in Castle Rock. The neglected site is a huge work in progress. A committee was formed last year, & others have joined in. Articles in the newspaper have helped with awareness of the needs. We met monthly to report progress, share ideas and plan our next steps. The cemetery is on private land, the owner, descended from the pioneer who donated the land, is elderly, private and not willing for people to go onto her property, though that is where the entrance has always been. A couple on the other side of the cemetery has allowed us to walk through their land. All supplies must be packed in by foot. We have held work parties on site during the warmer weather, which are well attended. The surveying was done. Our next step is to earn money to repair the stones. We anticipate continuing this project until the cemetery is no longer neglected.

Our chapter meetings became a hybrid of virtual and on-site. The virus hasn't stopped us from contributing to the community.
Maggie Volchek guided us through a Diaper Derby, for Eastside Baby Corner. Roberta Tower led the R(remember) E(everyone) D(Deployed) challenge from Operation Gratitude. Members made 32 scarves, 21 hats and wrote 20 letters. We placed third Nationally! Mary Peters led the State Quilt Project for Honor Flight. 31 quilts were made by our members.
Our monthly service projects included sending Valentine Cards and Christmas cards, to veterans, backpacks, and baby wipes for Lowell School, and 250 pounds of goods donated to the Ballard Food Bank. Our Day of Service was assembling 58 Ditty bags for Seafarers of Seattle.
We rounded out the year with a Community Service Award to Penny Legate and The Marah Project Mission: dedicated to the education about the disease of addiction. Household goods was delivered to Vision House a transitional housing organization. Wreath Across America participation ended our year.

What is Comradery? Google says it is a feeling of friendliness, goodwill, and familiarity among the people in a group. Well…Narcissa Whitman has been actively pursuing these objectives. We have had Ice Cream Socials; attended the JROTC Military Ball, we put together an outstanding display in an elementary school for Constitution Week (and it stayed up as a learning tool for six months!), we helped the National Guard with sorting items for their Back to School and Children's Holiday Toy Giveaway projects. We were able to donate over 100 boxes of crayons to Children's Village and Cottage in the Meadow to use during the pandemic.

To help build more comradery, we started the Narcissa Whitman On The Go monthly activities in 2019 and have had great success with visits to the Yakama Nation Cultural Center, Letterman Press Museum, Yakima Valley Museum, toured parts of historic Yakima and several lunch dates around town. Our members have become better friends because of being together in these activities. Comradery is one the main things that kept Daughters together during a difficult time. We were excited to welcome 8 new Daughters during 2021. How did comradery affect your chapter?

Madame State Regent,
Your Peter Puget Daughters have been actively engaged throughout 2021. We have knit our bit, sending handmade scarves for veterans to the WWII museum, welcomed new members at a summer picnic at the Edmonds Marina Beach Park, helped pay tribute our Honorary State Regents, provided two ROTC medals at UW and CWU, and (unsuccessfully) requested a Constitution Week proclamation from the Edmonds Mayor. (Did you know they want 3 months' notice? Well, Now we do!) These Daughters were thrilled to share our Sunshine Gardens, participate in No-Straw September, to finally meet up for a wonderful in-person holiday potluck where we collected toys for tots. Favorite chapter programs at our meetings included hearing from a national park ranger stationed at Mount Rainier National Park, "The History of the Mukilteo Lighthouse," and how to preserve our family stories. As always, Peter Puget Daughters are thrilled to serve and advance the WSSDAR goals throughout your administration. It has been an honor to serve.

In 2021, Rainier Chapter juggled another year of Covid with hybrid meetings, both in person and on Zoom, and our popular Zoom Book Club continued, allowing members near and far to participate in chapter activities. Continuing a Rainier Chapter 111-year tradition, we laid a wreath at the base of the George Washington Statue at the UW.

We honored veterans with a Vietnam Veterans Day video tribute, honoring 27 men and women who served during the Vietnam War. Members participated in the Veterans Parade, placed flags on graves, and Wreaths-Across-America. Our chapter raised $750 for the Gold Star Mothers to help fund their Gold Star Family Memorial.

We awarded eight students a total of $34,000 in scholarships and our house was used for a local elementary school during the pandemic.

Through many hours of volunteer work, we focused on the historic preservation of our chapter house. Antiques were polished, researched, and recorded, and the Bride's Room was remodeled to reflect the era of the house. After two long years, we were able to hang our Historic Register plaque and present the builder's grandson with an original picture of the house!

Robert Gray Chapter met each month via Zoom, had some work parties with masking at the Regent's home. The project being Honor Quilts, which making quilts was new to most of us. Also, at Regent's home we inducted new member Elizabeth (Betsy) Sterrenburg and installed chapter officers. Masks and fresh country air! Finally, was able to have a re-dedication of Fort Chehalis as it was restored and waiting for this event. This was at Westport, WA. Also, rededicated past State Regent Ida Soule Kuhn. Both of these events were held back because of Covid. The Good Citizen and Youth Citizenship were all handled by emails and postal service. Cards were sent to servicemen that were on the Iwo Jima Naval Vessel. Did "Socks for Soldiers" at Christmas. This time they went to troops in Poland. We do this with a local funeral home every year. Donated to Chemawa, "Christmas Tree for Children," and local food bank. Did a wreath laying at two local cemeteries on Memorial Day. Participated in a Veteran's Parade in Elma.
Our Chapter Good Citizen, Ellie Winkleman, won the WSSDAR State Good Citizen. She is a wonderful community orientated young lady and plans to go to college to become an educator and return to Hoquiam to work with children locally. We are very proud of Ellie. **Joyce Thomasson, Regent**

In the beginning months of 2021, our chapter commissioned a Memorial Bench honoring our Founding Regent Elizabeth Forsman. Members traveled to Tacoma to pick up the eight foot metal bench. In August, we held our first in-person picnic/meeting, conducted a beach clean-up event, and inducted three members. October 23, 2021, we held a dedication ceremony of the Memorial bench placed on the grounds of San Juan Island Historical Museum. We have discovered that a dual mode of meetings offering a Zoom option is particularly helpful, as our members reside in various parts of the country and live on several islands in San Juan County. We have restarted our chapter newsletter, held a Memorial Service, planted American flags at our local cemetery, baked cookies for community volunteers and service people. In September we arranged a Covid delayed display commemorating the adoption of the 19th amendment, and Constitution Week at San Juan Island Library, and we celebrated the 200th Anniversary of the Santa Fe Trail. Our chapter ended the year by inviting the parents and Friday Harbor Middle School Principal to attend an award ceremony of our chapter winners of the NSDAR American History Essay Contest.

It has been an honor to be the Regent of Spokane Garry Chapter of the DAR for the last two years. Last April, our chapter celebrated its 100th Anniversary. Members wore period dress and scrapbooks from that time period were displayed. Some of the activities we participated in were the "Never Forget Gardens" in honor of the Tomb of the Unknown Solder throughout the Spokane area. On March 29th, we commemorated Vietnam Veterans Day. A drive-by celebration to honor Veterans at the Mann-Grandstaff VA Hospital took place on November 11th. Cards were given out to the Veterans as well as gift packages. Our chapter updated our website and started a monthly newsletter to keep our members connected. We have achieved the Gold level honor in 2021 for the "Spread the American Spirit Subscription Contest." In memory of our deceased Spokane Garry members, we placed markers on their gravesites for Memorial Day.

The Susan Woodin Chapter met virtually at the start of 2021 but began offering hybrid meetings in September. Despite not meeting in person, 9 new members were sworn in and over 6000 Service to America hours were logged.

For our chapter project, we erected a Free Little Library at the North Kirkland Community Center. Members provided the books and the materials to build the library.

The chapter adopted veterans from Merrill Gardens Senior Living in Kirkland. We sent birthday cards to the veterans throughout the year. On the 4th of July, we joined the seniors outside for patriotic music and root beer floats. For Veterans Day, a card making event was held and the cards were delivered to the seniors.

Our chapter honored Wes Carpenter, a Vietnam veteran by presenting him with a Vietnam commemoration certificate and pin. The chapter continues to collect postage stamps for the Stamps for the Wounded project and sends birthday cards to veterans, through Chaplains Wings.

In December, the chapter partnered with Molbak's and held our Honoring our Veterans wreath laying ceremony at the Woodinville Cemetery. We had a large turn out and laid over 80 wreaths on veteran's graves.

Tillicum Chapter has a private Facebook page. We are Platinum Level for the American Spirit Magazine again. We partnered with Project Patriot collecting and cutting coupons, sending packages overseas and sending cards to Italy. We continued to support the VA Hospital with money for their bingo games (due to Covid we were not able to host a game) and clothing for the emergency room. We had 3 participants in the American Heritage Contest with a winner in Needle Arts. Tillicum changed from Zoom meetings on Monday night to in-person meetings on Saturday mornings. It was wonderful to see members in person again. Our programs had an ongoing theme of American and Washington History including field trips to various historical museums. One of our members in a school sponsored a Memorial Day activity and the school chorus sang "The Star Spangled Banner" which was presented at our meeting. As our membership has expanded so has our support of local food banks; prior to 2021 we supported one, Des Moines. Now (2021) we gave food to White Center, West Seattle, Des Moines, and the church which has allowed us to meet in person. We intend to continue this worthwhile cause both giving time and products. We have had a successful year. Thank you to the State Officers and committee members who continue to support us. **Eddy Duggar, Regent**

During 2021 Whidbey Island Chapter has been busy with a variety of activities and projects. Our chapter produced 11 quilts for the Honor Flights, gave US Flags flown over the Capitol Building to 2 young men earning their Eagle Scout rank, and continued to donate cash to our 3 local food banks.

We found and recognized 4 WWII Veterans including 2 Navy nurses. We were honored when President General Denise Doring VanBuren saw our Facebook posting, "Liked" it, and put it on her own Facebook page.

For the second year, we remotely gave a young woman from Oak Harbor High School the NJROTC metal for her outstanding performance and continued to support the program with a cash donation.

For the first time our chapter split into 2 groups and attended Memorial Day activities in both Clinton and Oak Harbor. We also held our first chapter meeting in Oak Harbor and will continue to hold some of our meetings in the northern half of our island to accommodate our members living in Oak Harbor and Coupeville.

We have completed new cemetery surveys of Clinton and Bayview West Cemeteries and are finishing the survey at Bayview East Cemetery. Our surveys include limited genealogical research to locate veterans whose service is not given on their tombstones, and we've discovered 9 additional veterans in Clinton and 31 additional veterans in Bayview West. In preparation for our attendance at Bayview Veterans Day ceremonies, we cleaned gravestones for our National Day of Service.

Our year was completed by signing Christmas cards for our active-duty Navy personnel at Whidbey Island Naval Air Station and joining Michael Trebert Chapter in Sequim for their 2nd Wreaths Across America event.

The Mission of the Chapter Regents Club is to support our State's Chapter Regents and provide a network for Regents to lead successfully.

The Chapter Regents Club created and supports the Vivian E. Bower Award for Outstanding Regents since 1989.

State and National Administration Pins

State Regent Christine Crowder's pin is the Dragonfly. Dragonflies remind us that anything is possible. They encourage us to be adaptable, creative, and inspired.

The Wright Administration pin celebrates our nation's rich history and diversity of experience by spelling "America" through the first letter of the Swarovski crystal color: Aquamarine, Musgravite, Emerald, Ruby, Iolite, Ceylon sapphire, and Aquamarine. The beautiful bow and ribbon represent the joy members receive through our DAR ties of service and friendship. Hidden in the wreath are round and baguette Swarovski crystals symbolizing Victory in Morse code with dot-dot-dot-dash to honor our military and veterans. The jeweled Victorian six-pointed star commemorates our founding in 1890 and highlights the six goals of the Wright Administration.

The Sparkling Firework Pin symbolizes the Wright administration's theme of "Celebrate Stars & Stripes Forever!" The Swarovski crystals within the firework represent each Daughter and acknowledge with gratitude and friendship her dedicated service to historic preservation, education, and patriotism. A stylized six-pointed colonial star commemorates the American Revolution and highlights the six goals of the Wright Administration.
